# Harborne Golf Club & your Special Day

First of all Harborne Golf Club would like to congratulate you on your forthcoming marriage, and we would be proud to be part of your special day.

At Harborne Golf Club, we understand that your wedding day will be a day that you will remember for a lifetime and one that will remain in the memory of your guests for a long time to come. So we guarantee that your wedding will be the only one taking place that day, unlike many other venues who try to run more than one. On your special day you will be the only bride and groom we are focused on.

Our long-established team take the utmost care in the preparation and execution of our food, using high-quality ingredients, locally sourced wherever possible.

In addition we offer the following:

- Free car parking for all of your guests
- The use of our various cake stands
- The use of our 14" cake knife or our four foot ceremonial sword
- Half-price wedding package for anybody 12 years or under
- Our experienced Head Chef of ten years to discuss any of our menus or any ideas of your own.

We pride ourselves in being able to provide you with the perfect day.

We hope you enjoy looking through the following menus and look forward to discussing your particular requirements in the near future.
